

Science Long Term Plan

| | Autumn 1 | Autumn 2 | Spring 1 | Spring 2 | Summer 1 | Summer 2 |
|--------|---|---------------------------|--|--|--|-------------------------------------|
| Year 3 | Forces and Magnets | Animals including humans | Rocks, soils and fossils | Light ASE primary remote learning resources | Plants ASE primary remote learning resources | Plants ASE |
| Year 4 | State of matter Association for Science Education primary remote learning resources | Sound | Living things and their habitats ASE | Living things and their habitats ASE primary remote learning resources. | Animals including humans | Electricity |
| Year 5 | Properties of materials Changes of materials. ASE primary remote learning resources | Earth and Space | Forces | Living things and their habitats ASE primary remote learning resources. | Living things and their habitats ASE primary remote learning resources. | Animals including humans ASE |
| Year 6 | Living things and their habitats. ASE primary remote learning resources | Evolution and Inheritance | Light ASE primary remote learning resources | Electricity | Animals including humans | Animals including humans |
