Priority Message

Dear Parents & Carers

This week is a busy and stressful week for our year 6's who are completing their SATs assessments! At the time of writing this, we are almost complete with just one more paper to go. The children have worked incredibly hard and we are all very proud of their focus and determination. As a reward on Friday, they will take part in the annual All Saints Bake Off Competition for Year 6 - always an enjoyable day! Look out for the results next week!

A reminder that our PTA have a second hand uniform sale going on today after school. They are located outside the year 3 area and have good quality uniform on sale for excellent prices - normally £2.00 per item. Hopefully this can help many families who may need to update a jumper/polos/PEshirt.

Please check the diary for next week as we have class photos taking place next Wednesday and of course, Sports Day. I will send out a separate communication regarding Sports Day arrangements and times.

Finally, you would have received an email from Mr Harris regarding our Ofsted report. Although it does not specifically say in the report, it was noted and fed back to us the positive feedback from parents on their questionnaire, which we greatly appreciate! Thank you! The email gives you a good summary of the inspection but if you would like to read the full report it is available on our website:

<https://www.allsaintsmaidenhead.org.uk/page/?title=Ofsted+and+SIAMS+reports&pid=22>

Thank you for reading and we hope you have a lovely rest of the week!

Mr Mckrell

Deputy Headteacher

And I will always guide you and satisfy you with good things. I will keep you strong and well. You will be like a garden that has plenty of water, like a spring of water that never goes dry.

(GNT Isaiah 58:11)

Shoesday Tuesday

Shoesday Tuesday is back this May. Every Tuesday, we encourage children and families to walk, cycle or scoot to school whenever possible. Even a short walk before school can help children feel calmer, more focused and ready to learn. Spending time outdoors, moving our bodies and chatting with friends on the way to school can have a positive impact on both physical and mental health.

To support this initiative, parents can drop children at All Saints Church between 8:20am and 8:25am, where a member of staff will safely walk them to school. Comfortable and sensible footwear is encouraged, but safety always comes first.

Let's take positive steps together for our health, wellbeing and the environment.

Change of Lunch Menu - Thursday 21st May & Friday 22nd May

Option 2 - Cowboy Sausage and Bean Hotpot

Spotlight - Attenborough

Attenborough have been very busy this term. They've written up some of the highlights to share with you.

Writing

In Writing this term we are learning to write letters to people. We are learning about informal letters now but soon we are going to write formally. (Louis)

When we finish our letter we have to write a reply (Huzaifa)

Reading

Our Reading subject is the Shakespeare novels. I love them because some of them are sad, but others are funny. Shakespeare really has caught the perfection of the stage, for he wrote these plays around 500 years ago and people today still read and like them. (James).

First we read Romeo and Juliet which was very good. We just finished Hamlet which to be honest I didn't really like. We also just finished The Explorer which I loved. (Robin)

Maths

In Maths, we are doing line graphs. Miss Quinn explained to us to plot the points then follow the points written Before we started line graphs, we did perimeter. Perimeter has formulas (e.g. $L+W \times 2 = \text{ans}$). These formulas calculate how much space is AROUND the shape. (Nikita)

We have been doing perimeter and statistics and it's super fun. You just add the sides up for perimeter and in statistics you do: add, subtract, multiply and divide. For some people it's tricky but for me it's easy. (Shrutika)

DT

In DT, we are making pasta sauce. It needs salt, onion, garlic, tomatoes, chopped tomatoes, salt, pepper and more seasonings. It's really fun and you get to cut them yourself too! (H.A.)

PE

In PE, us pupils have been preparing for Sports Day that's coming up. Right now, we have been doing ball games and later on we're going to be practicing races. The races are going to be: long distance, relay and short distance and loads more mini games.

Kew Gardens

The first thing we did in Kew Gardens was have a snack. Anyways, we went inside of a bee hive where we could see how it would be like for bees. After, we went inside different biomes and the conservatory which was really hot. Then, we had lunch. After lunch, we went with a Kew teacher where we did activities like: labelling parts of a flow, looking at different parts of flowers and we looked at how different seeds disperse. (Trisha)
