Dear Parents and Carers,

At All Saints, we are committed to providing high-quality Personal, Social, Health and Economic (PSHE) education that supports your child's development and wellbeing throughout their time with us.

Reviewing our PSHE provision

We are currently reviewing our PSHE curriculum in line with the DfE's updated statutory guidance for Relationships, Sex and Health Education (published 2025, for implementation from September 2026). This is a positive opportunity to bring our curriculum content up to date in a changing world, whilst maintaining our age-appropriate focus on the core knowledge and essential skills that children need to navigate different aspects of their lives with confidence both in and beyond primary school.

At All Saints, we use Jigsaw, the mindful approach to PSHE, as our comprehensive scheme of work. The programme consists of six half-term units (Puzzles): Being Me in My World, Celebrating Difference, Dreams and Goals, Healthy Me, Relationships and Changing Me. Each Puzzle contains lessons that build progressively through the school, developing children's emotional literacy, self-esteem, resilience and understanding of how to build positive, healthy relationships.

The updated guidance enhances the Jigsaw programme we already know and trust, rather than requiring radical changes. The strong foundations remain the same - we continue to focus on building the fundamental skills and knowledge children need - whilst ensuring our content reflects the world they are growing up in. The updated programme enables us to continue to deliver content that ensures that we remain true to the ethos of our school and sensitive to our school community, whilst adhering to the ODST PSHE and RSHE policy stipulations, as well as statutory guidance.

The attached curriculum documents highlight the updates and changes to our current curriculum provision. This aims to give you a clearer understanding of the content being taught. We welcome any feedback and comments you may have and, in preparation for an information session at school after half term, we kindly ask that you submit any comments, feedback and questions on the form provided.
