Dear Parents & Carers

Last Friday, our year 4's delighted parents with a brass concert to showcase what they have been learning during the summer term. With the help of Berkshire Maestros, who have tutored the children this term, have been teaching Class Owens how to play the trumpet and Class Lindgren how to play the trombone. Every Friday afternoon since April each class have spent time learning how to play and to read the music for each piece of music. We are so impressed with there progress and were thrilled with their performance last week - we hope parents enjoyed it as much as we did!

Community Day

With Community Day this Friday, Year 5 have been hard at work making their stands, getting prizes and baking cakes. To make it a success, it relies on the community to come together so please could your children raid their piggy banks for a few pounds to take part. Around £5 will be enough to partake in lots of the stalls. Please could any money they bring in be in a named wallet then given to their teacher at the start of the day. All the money raised will go towards the school PTA. It's open for everyone to come and enjoy; it would be lovely to see you there too.

Stalls open at 2pm and close at 3pm this Friday 10th July.

Mr Green and Miss Quinn

Thank you for reading and have a lovely rest of the week.

Mr Mckrell

Deputy Headteacher

And I will always guide you and satisfy you with good things. I will keep you strong and well. You will be like a garden that has plenty of water, like a spring of water that never goes dry.

STAR OF THE WEEK	
3.1 - Shelley	Ioanna continues to impress us with her enthusiasm for learning and positive attitude. She has come so far this year and has fantastic learning behaviours. She is polite and respectful and a wonderful role model for her peers. Keep on shining!
3.2 - Lovelace	Karam has impressed everyone with his focus in all lessons. He has been making great progress with his phonics this year and should be proud of his efforts. Well done Karam!
4.1 - Owens	Dyana has really impressed us with her focus, effort and enthusiasm in all of our lessons. She reads Rooftoppers beautifully to the class and thinks carefully about the story. She has also written an excellent explanation text about how to walk home from school safely. She always offers to help and is a delight to teach.
4.2 - Lindgren	Amal has consistently demonstrated an outstanding attitude to learning. She always works to the best of her ability, treats others with kindness and respect and approaches every challenge with determination. Her excellent focus and positive attitude makes her a wonderful role model.
5.1 - Aquino	H has been continually working hard in all subjects. She displays an excellent, positive attitude to every task that she is set. Her enthusiasm and energy is infectious and it has been fabulous to see her thrive and succeed. She has proved this year, that hard work and efforts pays off! Keep up the great work. Well done!
5.2 - Attenborough	Mapalo has impressed with his enthusiasm in Reading and Writing! He has worked hard on feedback to make his writing more creative and detailed and it is far more engaging to read! His reading of 'Hermes' in our class novel has been fantastic too: he reads with expression and confidence and it makes the text really enjoyable for the listeners. Thank you and keep it up!
6.1 - Hawking	Faizan has impressed us with his determination in Maths. We looked at answering questions using Fermi estimates. Faizan was intent on finding the answer to 'How old are you if you are a million seconds old?' He sat and worked this out independently, without any help and came up with a reasonable approximation! Well done and keep it up!
6.2 - Hadid	Eshaal has really impressed us this week with her outstanding writing. She has written a diary from the perspective of our main character in our class book, and produced such a clever and skillful piece of writing. As always, Eshaal demonstrates great focus and effort which always results in high quality work. Well done!
