Art Peek - Autumn 2026

Join us this Autumn for a colourful journey through the world of art!

Young artists will explore exciting art movements including Impressionism, Pointillism, Fauvism, Cubism, Neo-Plasticism, and Pop Art, inspired by famous artists such as Claude Monet, Georges Seurat, Pablo Picasso, Piet Mondrian, and Roy Lichtenstein.

Along the way, children will develop observational drawing skills and experiment with a variety of materials including paints, pencils, felt tips, mixed media, and collage.

Each project is designed to build creativity, confidence, and artistic skills while introducing children to the fascinating history of modern art in a fun and engaging way.
