## Priority Messages

Dear Parents and Carers,

Like thousands of schools up and down the country, we celebrated World Book Day on the 7th March! The children had a wonderful day taking part in various book related activities and experiencing a full session with the author Kate Poels.

In that session she led the children through her inspirations and process for character building and developing exciting settings. They looked at classic tales that have been retold through film and animation. Then they finished the workshop by following her process to create their own character and setting for a possible story. All classes followed this up by allowing the children to get their ideas down on paper. It really was a great experience for the children to see this process first hand and actually practice this themselves! We saw and heard some amazing ideas from the children and we hope some have been inspired to read more for pleasure and to even start thinking about creating stories themselves. During the day we had the Maidenhead Advertiser visit and are part of a big article covering World Book Day in local schools that was in last weeks edition - do go and check it out!

In addition to the excellent activities through the day, the children were very creative with their costumes! Whilst this day is not about the dressing up, we really appreciated the effort families put in to take part in this. We wanted to reassure that days like this or other curriculum days the children experience is not about the dressing up, but the experience of the day. So this is a reminder that you do not have to go out and spend money on costumes, there is no pressure for the children to dress up as we just want the children to enjoy the experience of world Book Day and/or other focused curriculum days!

Last week a selection of year 5 children led by Mr Green, continued raising money for Alexander Devine Children's Hospice by selling knitted chick eggs that had a little chocolate treat inside! The children have worked really hard on this and (without knowing the exact final figure) have raised just over £500 for the charity. I think you'll agree, this a great effort for an amazing charity that helps so many children that are suffering through difficult times. The children are very proud of their achievements and rightly so! A big thank you to Mr Green for initiating this project and we will look to continue these projects (just like the Fairtrade campaign) to encourage children to think about issues of responsibility and justice.

Finally, we hope you enjoy the rest of the newsletter, there is a big Sports update which covers the last two weeks of competition, festivals and inter-house tournaments!

Mr Mckrell

#### Inter-house Football Tournament

Last week we had the annual inter-house football tournament. The aim is to encourage everyone to get involved and to do their personal best, but it is also an opportunity to develop teamwork and good sportsmanship behaviour. We saw some close scores in each year group and overall, but the winning house was Dragon. Congratulations to everyone for taking part. In the summer term we will have an inter-house netball competition.

	Griffin	Pheonix	Dragon	Pegasus
Year 3	9	<b>11</b>	7	7
Year 4	7	13	10	<b>16</b>
Year 5	9	7	<b>10</b>	7
Year 6	22	13	<b>29</b>	11
TOTALS	47	44	<b>56</b>	41

It is worth reporting one of our visiting coaches really enjoyed the afternoon with year 6 and remarked, "The year 6's are a great group, probably the nicest year 6 group out of all the schools we visit." Teachers, parents and children you should be proud. Thank you!

---

### *First Pitch Baseball Taster*

---

On Monday 18th March a group of excited Year 4/5 children walked to Newlands to experience a fun taster afternoon of baseball skills. We have acquired a bag of equipment to get us started and plan to use some of the games (Fly ball frenzy, Diamond back throw back, Round around the circle and Relay Royals) back at school at lunchtimes, in lessons or maybe a club. If you are interested ask Mrs Thompson.

### *PE Curriculum*

---

Please be reminded PE kit can be worn to school on PE days. After Easter our summer uniform can be worn, and this is expected to be worn for swimming days.

This Spring term each year group are actively concentrating on creative learning behaviours in the core real PE curriculum. In addition to this...

Year 3 have been working on co-ordination – sending and receiving and counter balance with a partner. In the Summer Term Year 3 will be swimming at Braywick and letters are coming home this week.

Year 4 have been involved in the Premier League Primary Stars Programme where a visiting coach works alongside the class teachers offering a PE mentoring service over 6 week blocks. The children were focussing on Dance improvising movements for the circulatory system.

Year 5 Attenborough have returned to Braywick Leisure Centre for more school swimming lessons. It's been amazing to see the improvement the children have made since last year, some now swimming for the first time! PLEASE continue your child's swimming progress by taking them swimming regularly or giving them swimming lessons. It takes regular practice to maintain the achievements they have made in school swimming.

Year 6 teachers have had Dance CPD delivered by Jane Douglass from the sports partnership. She has been really impressed with the children's learning behaviours and this has enabled them to create some wonderful improvisations. Well done year 6, another person you have impressed!

---

### *Sports Clubs in the summer term*

---

Please note the Year 5/6 Boys Friday lunchtime football will be moving to Thursday lunchtimes. Children who are currently attend the lunchtime clubs can continue to attend and any others are welcome to join in. Children can wear PE kit to school and bring clean clothes to change into. If they have PE on the same day a change of PE bottoms is adequate. If they do not have PE, then school uniform MUST be changed into. They MUST also bring a raincoat and a change of shoes in a plastic bag, or they will not be able attend the lunchtime football club. See the Club information table to check times.

There are some new clubs starting up and children will be invited to particular ones with the aim to give more children opportunities to participate. The free clubs will be limited to one per child (unless there is space) so it's fair for others to have a go and get active!

**Please do ask your child if they have a letter and return permission slips to the office promptly as numbers are limited.**

Thanks for supporting your child to be more active.

Mrs Thompson

### *Sports Leaders*

---

This week the enthusiastic sports leaders and play leaders have been encouraging everyone to take part in the Active Mile at lunchtimes. They have also set a Hot Shot Challenge to try netball and basketball shooting skills. We will discover on Fridays which class has been the most active.

Most Active Class = Shelley 55%

#### **Football Matches**

Unfortunately, we had been let down recently by two teams not turning up, so these matches have conceded with a 3 point win to us. The schools have apologised, and it is hoped we can organise a friendly match instead.

Last week's match also got cancelled due to the rain, which couldn't be helped so hopefully that can get rearranged. Despite these challenges the children have shown resilience and utilised the time for valuable team practice. Thanks to children and parents for your support and understanding!

#### **Yr3/4 Girls Football Tournament with Maidenhead Magpies in the community**

As part of the Women and Girls Week this tournament was organised to celebrate and empower young girls in sports. The morning of March 5th was filled with fun and friendly competitions building on teamwork. The squad of 9 really came together, showcasing their skills and potential, and enjoying the spirit of sportsmanship together. Thank you, parents who came to support! Out of the 7 teams attending, All Saints came joint 1st with Oldfield but with a total goal score of 14 just below the other school. Congratulations team, this was incredible and an excellent grounding for the future. Keep up the good work!

The lunchtime sessions and afterschool club with Maidenhead United have proved to be very successful. If your child wants to get more involved, please consider the Wednesday afterschool club.

**PLEASE ALSO SEE THE Women & Girls 7 days of focus booklet ON CLASSDOJO SCHOOL STORY!**

Thank you Maidenhead United for the FREE books given to us for World Book Day!

### *Little Musketeers Fencing Festival*

---

On Wednesday 6th March a group of year 3/4 and 5/6 children visited Newlands School to participate in this Fencing Festival organised by the School Partnership. Little Musketeers is a fun and safe educational primary school programme from British Fencing to introduce the sport of fencing. The event is designed to boost confidence to try new things and build self-esteem, motivation and resilience. The children had great fun trying out the skills required for fencing.

---

*Year 4/5 #LetGirlsPlay Football Festival*

---

Ascot & Maidenhead School Sports Partnership organised an event with Maidenhead United at The Astro Turf behind the rugby club on the Women and Girls International Day last Friday. It was to celebrate and empower young girls in sport and let them 'have a go'. They met players in the Maidenhead United Women's Team and had great fun trying a carousel of different activities.

We had great fun practicing new skills!

---

### *Netball*

---

On Tuesday 27th February the Year 5/6 netball squad took on a strong team from Holy Trinity in a home match winning an astounding 15:6. The player of the match was Holly scoring the majority of the goals – hot shot!

The squad made way for others to have a go on Monday 4th March, Yolanda as captain and new goal shooters. It was a tough match going back and forth but Courthouse managed a 4:1 win. Well done everyone you really worked well as a team. Yolanda was voted player of the match – congratulations!

On Tuesday 5th March, the squad took on Wessex in an away game winning 13:4 and player of the match was awarded to Maxim – making moves!

Congratulations to everyone and good luck with the last match next week. We will be having an inter-house netball tournament in the summer term for everyone to be included in.

---

### *Parent Helpers*

---

This year we've had a parent helper at netball club which really opens up the opportunity for children to attend. In the summer term we would like to invite Year 4 to netball club. Similarly, if you have any other skills to share we would love to hear from you.

Lets get everyone active!

---

## *Diamond Netball Academy*

---

There is a wonderful opportunity for girls in Year 5 and Year 6 to join a new netball club in the area, the Diamonds Netball Academy! This new club is dedicated to nurturing young talent and promoting the joy of netball.

Diamonds Netball Academy is a new Netball England registered club.

The first-ever trials are scheduled to start on the 14th of March at Furze Platt Senior School, starting at 6.30 pm. This is a perfect chance for your daughters to demonstrate their skills, interact with experienced coaches, and become founding members of what promises to be a fantastic journey in netball.

Regardless of their current skill level, we warmly invite all Year 6 girls to participate in an evening filled with fun, teamwork, and learning.

At Diamonds Netball Academy, our aim is to create an engaging and positive environment where each player can grow, develop their netball abilities, and most importantly, have a great time!

To secure a spot in the trials, please register via this link: [SIGN UP NOW! NETBALL Trials for girls in Years 5 and 6 March 14th @ 6.30pm, Furze Platt Senior School](#)

We encourage you to register promptly as places are limited. This is an exciting chance for your daughters to be part of the inaugural team of the Diamonds Netball Academy.

### *Lunchtime Football Club reminder*

---

Please make sure your child is prepared as the field is still muddy!

If children attend football club on Wednesday or Friday lunchtimes, they can come to school in their PE kit but must bring a change of clothes for afterwards as they get very muddy. If they have PE after, some clean shoes and bottom halves. If they don't have PE school uniform is expected. Thank you.

---

### *ESFA design a football competition*

---

Well done everyone who managed to complete an entry. There were some excellent designs so let's keep our fingers crossed.

Next week is our inter-house football tournament, which is always a fun-filled and inclusive afternoon. It will take place on your child's normal PE day. Good luck everyone, do your best and most of all enjoy it!

Mrs Thompson

## School Grounds Update

---

### *Eco Garden Design Competition – deadline Wednesday 27th March*

---

Since the PTA working party initially cleared the fenced Eco Garden at the front of school, we've been raising funds in conjunction with the PTA to redesign the area. Unfortunately, much more needed fundraising is required as we found out from a visiting landscaper!

The Plan

NOW - Design competition for children's ideas.

APRIL - Professional landscaper will use parts of the children's ideas and produce a final design.

SEPT'24 – Initial work will start as this is an evolving project that will depend on funds and man power.

The children will be shown a video of the area in assembly this week. We are asking children to include features they would like in the Eco Garden and create a design on A4 paper. The professional

has explained we would need a water source to maintain a pond, so we have discarded that idea. Other than that, we want to keep it natural and encourage wildlife so get designing and some of your ideas will become real and feature in the new Wildlife Area!

---

### *Woodland Trust Trees*

---

The school have had another delivery of trees and we are asking for each class to bring in, bucket sized, plant pots as they will have a better survival rate being watered and nurtured before going into the ground. Each class will be involved in growing the new trees/ hedgerow which will then be planted to enhance the school grounds.

PLEASE RECYCLE YOUR PLANT POTS AND TAKE THEM IN TO CLASS

---

### *Meadow*

---

At the end of the adventure playground, we have an area which is left to grow into a meadow. Last year, poppies were introduced, but will they appear this season? This year meadow seeds will be added and a figure of eight pathway will be cut for the children to walk around through the meadow without disturbing any wildlife.

The fenced triangle at the other end of the adventure playground, near the weather vein will also be planted with meadow seed.

---

### *Allotment*

---

Mrs Nowaczyk and the gardening club are doing a fantastic job growing seeds ready to put in the raised beds, but they are in need of soil.

IF YOU CAN SPARE ANY RESOURCES FOR THE ABOVE PROJECTS OR TIME TO HELP WITH THESE PLEASE CONTACT THE PTA.

TOGETHER LETS MAKE OUR SCHOOL GROUNDS WONDERFUL!
