## Priority Messages

Dear Parents and Carers

A warm welcome back to all our pupils and parents as we begin our final term of this academic year. Last term we finished on high with a wonderful sports day and community picnic (see below for the write up and pictures), a big thank you to all that came along and we hope you enjoyed the day as much as we did!

This term is always a really busy one for all schools so please do keep a close eye on the calendar and any communication that comes home via email or Class Dojo. One of our most important events of the year takes place in the form of our **School Summer Fete which takes place on 15th June from 11.30am - 2.30pm**. This year we will have many different stalls, activities, games in addition to the delicious food and drink on offer. It is a wonderful community event which has been planned superbly by our PTA team and we would love to see as many families join us on the day. You may even witness a few teachers get slimed! (see below for details!)

All year groups have plenty going on with the curriculum, events or trips arranged to give the children plenty of good experiences related to their learning. In addition to the learning in their current year group, this term will see the children take part in transition arrangements on **2nd July**. On this date nearly all of our Year 6 children will be spend the day at their new secondary school, meaning we will use the morning for our children to move into their new year groups and meet their new teacher for September. At the moment the new classes have not been confirmed as we are still finalising all the classes for September. This will also be the date our new year 3 pupils will get to meet their new teachers as they come across from Boyne Hill and Burchetts Green. Always an exciting and important day for the children and teachers!

Hope you all have a wonderful week.

Mr Mckrell

Deputy Head

*And I will always guide you and satisfy you with good things. I will keep you strong and well.*

*You will be like a garden that has plenty of water, like a spring of water that never goes dry.*

## Sports Day!

On the final day of Summer Term 1, we held our annual Sports Day and Community Picnic. It was a fantastic day of sport where children competed with great determination and sportsmanship. With a

brilliant turnout from parents the field was packed with enthusiastic supporters cheering on children and the houses they represent.

Through the morning each class completed eight different events on a carousel basis, meaning everyone was active and competing all morning. After each round of events the scores were being sent to the scoring table where a live leaderboard continued to ebb and flow between the houses!

After finishing the eight events, the whole school including spectators moved to the track to see the children take part in the sprints, the relays and the long distance race for each year group. At this point the scores were being added to the secret leaderboard to leave everyone in great suspense! We saw some outstanding races and great skill throughout the morning but a special mention to the year 4 relay race where we saw great sportsmanship after one of the children fell whilst running and

the other competitors all stopped to ensure the runner was ok! We were able to restart the race and ensure the result was fair. A great moment to witness the genuine kindness of the children at All Saints.

Once the running races were completed, we announced the winners for this year's Sports Day competition. A huge congratulations to Dragon who have won for the second year in a row! In second place was Phoenix, third place Pegasus and fourth place Griffin.

After the trophy presentation the whole school came together to enjoy a picnic on the field where parents, pupils and lots of different families spent time together to soak in and reflect on the brilliant sporting events. It really was a wonderful day and we would like to thank all parents and families who made such a great effort to support the children and stay for the community picnic - no doubt we will do the same again, same time, next year!!

## Slime the Teachers at the Summer Fete!!

After the success we had with the Big Chick Knit, we were keen to support Alexander Devine's #RockTheBlue campaign.

Unsurprisingly, the children's favourite idea was sliming the teachers with a children's favourite, *BLUE SLIME!* (Possibly with a few slime covered sponges thrown in...)

But! *On one condition...*

Only once we have reached our target of £50 per teacher. For every £50 we raise another teacher will get slimed!

The sliming will take place in the afternoon of the School Summer Fair.

The following teacher will be slimed if we reach their targets.

£50 - Mr Mckrell

£100 - Mr Green

£150 - Mr Parkin

£200 - Mr Thomas

£250 - Mr Harris

All proceeds will go to Alexander Devine. So help us cover the teachers in BLUE slime by smashing our fundraising target by donating here.

STAR OF THE WEEK	
3.1 - Shelly	<b>Athena</b> has really impressed us with her quiet determination and focus, especially in Science this week where she has shown a wonderful awareness of plants and nature. She always does her best in everything that she does and is such a polite, respectful girl who delights us every day. Well done Athena!
3.2 - Lovelace	<b>Phoebe</b> has really impressed us with her hard work and confidence in all lessons, especially in Science this week. She has shown great interest in our plants topic and made an amazing, colourful garden design to attract pollinators such as bees and butterflies. Well done!
4.1 - Owens	<b>Arturo</b> has impressed everyone this week with his perseverance. He took a rather big tumble in the relay race but got up and competed the race like a real trooper. We are relieved he has no serious injuries and hopefully he didn't feel to sore!
4.2 - Lindgren	<b>Modamed</b> constantly demonstrates outstanding effort and dedication in his learning. Recently, Mohamed impressed us with his progress in Maths, especially when he persevered with challenging reasoning problems and engaged in group work to find solutions.
5.1 - Aquino	<b>Ellen</b> has impressed us with her sportsmanship this week. Throughout Sport's Day she was supportive to all her peers regardless of house and helped others wherever she could. This has just exemplified the value you bring to the class every day. Well done!
5.2 - Attenborough	<b>I</b> has impressed everyone with his hard work all week. He has been focused in all lessons and is making great improvements, well done!
6.1 - Hawking	<b>Everyone in Hawking</b> has impressed us this week. They have worked together well and encouraged each other in the allocation of parts for our production. They also displayed great talent, team work and sportsmanship at Sports Day. We are very proud of you!
6.2 - Hadid	<b>Everyone in Hadid</b> has impressed us this week with their resilience and team work. Seeing you all overcome your disappointment with the production roles and making sure everyone was ok, showed how well you work together. Sports day is testament to your team work and cheering each other on, helping those in need and stepping in when needed. Well done all of you!
