Gifts and Hospitality Policy

Receipts of gifts, hospitality, entertainment or other services

While corporate hospitality and gifts may be a feature of the business world, ODST as charitable company are working in a different context. At all times, we need to be mindful of the potential perception arising from the acceptance of such gifts and hospitality.

It is important that the conduct of Trustees, governors and members of staff is beyond reproach and reflects the highest possible standards of probity and ethics. Their conduct should never lead anyone to suspect dishonesty or think that they may have been unduly influenced by gifts and hospitality.

Trustees, governors and members of staff involved in making buying decisions, in particular, should not accept excessive, frequent or regular gifts, hospitality, entertainment or other services from existing or prospective suppliers.

When considering whether to accept such offers, they must consider whether they could affect their independence or cause concern that they might affect their independence. ODST and each academy will maintain a register of gifts and favours offered and whether these were accepted or rejected.

Trustees, governors and members of staff are required to inform the Chief Executive Officer/ Chief Financial Officer of ODST, using Appendix 1, of such offers as they arise.

ODST Board: gifts, hospitality etc. exceeding £200 p.a. cumulative from one third party, must be reported.

Local governing body: gifts, hospitality etc. exceeding £100 p.a. cumulative from one third party, must be reported.

All other staff members: gifts, hospitality etc. exceeding £50 p.a. cumulative from a single person/organisation and £100 if from a group of parents (i.e. class teacher gifts), must be reported.

Expenditure on Gifts, Hospitality, Entertainment and Favours

The Local Governing Body will approve any expenditure as detailed below on gifts, hospitality, exgratia payments and losses to be written off. The academy will maintain a log of these. Such expenditure is only authorised if the Local Governing Body can demonstrate that they have taken into account the principles of probity, accountability and value for money.

Expenditure on hospitality from public funds is only incurred in the provision of education. Hospitality is generally only provided in the workplace and usually restricted to tea/coffee, biscuits, soft drinks or sandwiches. Modest hospitality is occasionally provided outside the workplace. The School Business Manager will maintain a register of the occasions when hospitality is provided, the number of people involved and the costs incurred.
