

Vacancy for Governor with Finance experience

Are you interested in supporting our school? Do you have an understanding of finance? We are looking to plan succession for our current Finance governor, Colin Higgins, and are keen to hear from any parent who brings these skills (an accountant, a leader who has managed a significant budget or someone with other finance skills) and is interested in becoming a governor.

The role of a school governor is strategic rather than operational. Governors don't get involved with the day to day running of a school, instead they support and challenge the school's leadership team to drive school improvement. We are looking for someone who has enthusiasm and a keen interest in shaping the future for the pupils at All Saints Junior School.

Governors are expected to attend 6 governors' meetings and 3 or 4 committee meetings during the school year. You will be supported with training to understand the role.

If you are interested in applying, please complete the application form and send to Jenny Wilks (Chair of Governors) at jenny.wilks@allsaintsmaidenhead.org or, if you would like more information first, please contact Jenny or speak to Mr Harris.
